Description :

Prsentation de l'diteurHe's my teacher. I shouldn't be alone with him. But I can't help that he's irresistible. I let the door silently close at my back. He stared at me, and a taut quiet stretched between us. "I like hearing you play," I said, moving toward him. He turned, in sync with my slow approach. He looked up at me but didn't say anything. I rested my clammy hand on the cold, slick body of the baby grand. "May I?" The muscles in his throat shifted, then he swallowed. "Eden." My knees weakened, like a soft tickling kiss had just been blown against the backs of them. "Is it okay?" I asked. His gaze held mine like two hands joined. He understood what I was really asking. "Let me stay," I said. "Please." "You're going to get me in trouble," he said.
