Description :

Prsentation de l'diteurEunice Lipton was a fledging art historian when she first became intrigued by Victorine Meurent, the nineteenth-century model who appeared in Edouard Manet's most famous paintings, only to vanish from history in a haze of degrading hearsay. But had this bold and spirited beauty really descended into prostitution, drunkenness, and early death-or did her life, hidden from history, take a different course altogether? Eunice Lipton's search for the answer combines the suspense of a detective story with the revelatory power of art, peeling off layers of lies to reveal startling truths about Victorine Meurent-

and about Lipton herself.
