Description :

Prsentation de l'diteurWhen I finished hiking the Appalachian Trail in 2009 I wrote about my adventure for my family and friends. A number of them told me they felt like they were hiking the Appalachian Trail with me from the comfort of home.I hiked the Pacific Crest Trail in 2012. They wanted me to write about that adventure, too. When I finished writing the book, I asked my vicarious hikers: "Are You Ready To Hike The Pacific Crest Trail?" That became the title of my book.It was a fun, fun, challenging hike that created many vivid memories: Running out of water in the scorching desert, a rattlesnake coiled and ready to strike, a lone coyote howling mournfully through the quiet star filled night, sparkling mountain lakes spread out below

Forrester Pass, fragrant fields of bright lupine, cascading waterfalls, encroaching forest fires, majestic glacier-covered volcanoes, healthy green forests, bears, curious marmots, and filthy, friendly, lean and hungry thru-hikers. Hiking the Pacific Crest Trail left me with new friends and in excellent physical condition. It was a wonderful, exciting adventure. Are YOU ready to hike the Pacific Crest Trail? Join me.
