Description :

Prsentation de l'diteur Cedric Johnson is a middle-aged insurance broker with an unusual problem. He seems to be physically flashing back to pivotal moments from his past. It begins when his third-grade teacher notices a startling awareness in an otherwise unremarkable boy. Next, Cedric inhabits his fourteen-year-old body. He continues to travel through the life hes already lived, issuing warnings and searching for answers. But why should anyone believe him? Cedrics journeys through time bring him face to face with forgotten memories, heartbreaking loss, the possibilities of love, and the agony of a life of regret. Cedric incenses and inspires the people around him, and changes the landscapes of their lives. Prsentation de l'diteur Cedric Johnson is a middle-aged insurance broker with an unusual problem.
