Prsentation de l'diteurMaira Kalman, with wit and great sensitivity, reveals why dogs bring out the best in usMaira Kalman + Dogs = BlissDogs have lessons for us all. In Beloved Dog, renowned artist and author Maira Kalman illuminates our cherished companions as only she can. From the dogs lovingly illustrated in her acclaimed childrens books to the real-life pets who inspire her still, Kalmans Beloved Dogis joyful, beautifully illustrated, and, as always, deeply philosophical. Here is Max Stravinsky, the dog poet of Oh-La-La (Max in Love)-fame, and her own Irish Wheaton Pete (almost named Einstein, until he revealed himself to be clearly no Einstein), who also made an appearance in the delightful What Pete Ate: From A to Z. And of course, there is Boganch, Kalmans in-laws big black slobbering Hungarian Beast. And thats just the beginning.With humor and intelligence, Kalman gives voice to the dogs she adores, noting that they are constant reminders that life reveals the best of itself when we live fully in the moment and extend unconditional love. And it is very true, she writes, that the most tender, complicated, most generous part of our being blossoms without any effort, when it comes to the love of a dog.From the Hardcover edition.Revue de presseMaira Kalmans BELOVED DOG captures in glorious washes of color and equally riotous, reverential text the bodies and souls of her dogs, and memorable others and their owners.Elle MagazinePrsentation de l'diteurMaira Kalman, with wit and great sensitivity, reveals why dogs bring out the
