## Description :

Prsentation de l'diteurFor every major feast, saints day and commemoration in the calendars of the Anglican churches of the UK, this liturgical resource and spiritual companion offers a feast of readings that reflects

the richness, depth and variety of the Christian tradition from the earliest years of the church to the present day. Writings from across the centuries represent the Eastern, Western, Roman and Celtic traditions and constitute a vibrant history of Christianity manifested in the lives of hundreds of holy men and women as diverse as first century martyrs, or twentieth century social reformers. A complementary volume to *Exciting Holiness* which provides scripture readings and prayers for the calendar, this is now updated to include the additional commemorations in the Church of Englands calendar of saints.
