Description :

Prsentation de l'diteur
The Bride Should Be the Star at the Wedding!
The focus should be on the brides face not on the wedding dress or bouquet. The tips in this book will help any bride select the right shape of bouquet to enhance the dress. Let my experience help you create the wedding of your dreams. As a couture trained clothing designer and professional pattern maker I have designed, made many wedding gowns and consulted with many brides about the shape of the bouquet. What do you want to say on your special day? Wedding gowns come in all different shapes, and each shape helps to communicate a certain "attitude" by accentuating different features. Bridal bouquets also come in different shapes. Each of the types of bouquets will help the bride say something different. Learn how to have the bouquet and dress work together to make the day one of your favorite memories. What reviewers have said: What great advice! I loved the insight on how to coordinate your bouquet with the style of your wedding dress. Katie W If you're looking for ideas for a bridal bouquet, this ebook as photos of many different styles. J M Verba Artistic instruction by a professional clothing designer, Author Marjorie J McDonald details the importance of the bride's bouquet,

how it must compliment the gown while holding its own. Everything must balance to lead from the bouquet to the gown to the bride's face and the eye of the beholder must remain with the bride's face. Just one of the many eloquent insider tips that accompanies a variety of inspiring photographs. Julia Busch Ready to make your day memorable? Scroll to the top of the page and you will have the help you need immediately. Congratulations and Best Wishes for a beautiful day.
