**Par Jeff Abbott : Downfall: Number 3 in series** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Downfall: Number 3 in series:

thriller writers in the business, and he delivers action and complex characters in an explosive cocktail. The next Capra novel cannot come fast enough."Associated Press on *The Last Minute*"Like *Adrenaline*, this is a fast-paced thriller with a likable, morally conflicted hero. Sam is in a difficult situation, seemingly forced to commit murder to find his son, and--this is a testament to Abbott's skills as a storyteller--we really don't know whether he will follow through. The book ends on an upbeat note, giving Sam a certain amount of closure. Still, let's hope Abbott isn't through with Sam. He's a very well drawn character, and it would be nice to see him again."Booklist on *The Last Minute*"The Adrenaline rush that won't stop."San Antonio Express-News"Twisty, turny, and terrific."USA TODAY on *Adrenaline*"[An] edgy, seat-of-your-pants spy caper."Entertainment Weekly on *Adrenaline*"Outstanding . . . genuinely moving . . . Abbott hits full stride early on and never lets up. Readers who thrive on a relentless narrative pace and a straight line to the finish won't be disappointed."Publishers Weekly (starred review) on *Adrenaline*"Extremely compelling . . . a thriller that will get even the most jaded reader's pulse racing . . . a grand slam home run."Associated Press on *Adrenaline*Presentation de l'diteur'Help me.'When a young woman rushes into Sam Capra's San Francisco bar and whispers these desperate words, Sam feels compelled to help.
