Description :

Présentation de l'auteur On the very day an arsonist burns down Liv Endicott's bookstore in a small town in the Washington mountains, she finds fate has another shock in store for her. Amid the smoke, rubble, and tears, Sean McCloud appears, calling her name. He's every inch the man he always was--the man she kept on wanting. But wanting is not the same as trusting, and she doesn't dare let him get too close. Yet a ruthless killer is gunning for Liv, and she'll die unless they join forces to unearth a chilling truth--and come together in a blaze of searing passion. . . From Publishers Weekly Wild boy Sean McCloud takes center stage in

McKenna's over-the-top fourth entry in her romantic suspense series (Behind Closed Doors, etc.) featuring Sean and his brothers Davy and Connor, who specialize in security, catching villains and keeping their women very happy. Sean is still dealing with the death of his brainy twin, Kevin, one of many victims of the covert Midnight Project directed by the sadistic Dr. Christopher Osterman. When Sean's lost love, Olivia Liv Endicott, returns to Endicott Falls, Wash., to open a bookstore, Sean is both thrilled and terrified. And when the store is torched by Dr. O's pet assassin and Liv is almost killed by the relentless goon (whom she dubs T-Rex), Sean vows he won't lose her again. Sean swings into full-frontal heroics, battling T-Rex and working to reclaim Liv's trust. Full of the author's trademark turbocharged sex scenes, this action-packed novel is sure to be a crowd pleaser. (Aug.) Copyright Reed Business Information, a division of Reed Elsevier Inc.
