Description :

Prsentation de l'diteurEmbarrassing Health Problems - Embarrassing Problems Fix: Female Problems Volume 2 addresses embarrassing problems and embarrassing illnesses that women experience and are too embarrassed to seek treatment. It offers self-treatment protocols so women can treat embarrassing medical problems and embarrassing health problems in privacy. What are health issues facing women today? They are health issues in all aspects of their bodies from cosmetic or esthetics to medical health issues such as reproductive health. The authors goal is to educate rather than medicate so that a better quality of life can be

obtained. This book is Volume 2 and deals with Embarrassing Female Problems. Volume 3 deals in Embarrassing Male Problems and Volume 1 deals with General Problems experienced by both genders.
