Description :

Prsentation de l'diteurWho killed an elderly couple in their Caribbean home? M knows exactly who did it, but the murderers will most likely escape through a twisted net of global politics.The solution? M. calls in a personal favour from a certain licensed killer who understands the kind of rough justice needed. Bond soon discovers he's not the only one on the hunt, and the lines between revenge and justice become blurred...Also includes the stories 'Quantum of Solace', 'From a View to a Kill', 'Risico' and 'The Hildebrand Rarity'From AudioFileFive short stories find James Bond facing danger from a variety of sources, all of which he escapes through fast thinking and even faster action. The suave, cultured British accent of Rintoul captures both the sophistication and complexity of Bond's personality, in addition to defining his nationality. His

dramatizations convey the moods, nuances and personal traits of all the characters, whether they're Canadian, American, Italian or British. By softening his voice, changing his pace and mellowing his vocal tones, Rintoul realistically performs female voices, as well. Rintoul's expert performance enlivens the story and helps guarantee that Fleming's writings will remain popular with listeners. P.A.J. (c)AudioFile, Portland, Maine
