## Description :

Prsentation de l'diteurFrank Miller's first-ever original graphic novel is one of Sin City's nastiest yarns to date! Starring fan-favorite characters Dwight and Miho, this newly redesigned edition sports a brand-new cover by Miller, some of his first comics art in years! There's a kind of debt you can't ever pay off, not entirely. And that's the kind of debt Dwight owes Gail. The girls of Old Town have their own family values, their own laws-and when someone too dumb to know better breaks them, an example needs to be set. Dwight's got his own reasons for taking the job, and deadly little Miho... Miho likes to play with them a little first. With a new look generating more excitement than ever before, this third edition is the perfect way to

attract a whole new generation of readers to Frank Miller's masterpiece! \* Over a million Sin City books in print! \* New cover by Frank Miller! \* With Miller and co-director Robert Rodriguez gearing up for Sin City 2, this third edition is being released at just the right time! Presentation de l'auteur Frank Miller's first-ever original graphic novel is one of Sin City's nastiest yarns to date! Biographie de l'auteur Frank Miller began his career in comics in the late 1970s, first drawing then writing Daredevil for Marvel Comics, creating what was essentially a crime comic disguised as a superhero book. It was on Daredevil that Miller gained notoriety, honed his storytelling abilities, and took his first steps toward becoming a giant in the comics medium. After Daredevil came Ronin, a science-fiction samurai drama that seamlessly melded Japanese and French comics traditions into the American mainstream; and after that, the groundbreaking and acclaimed Batman: The Dark Knight Returns and Batman: Year One, both of which not only redefined the classic character, but also revitalized the industry itself. Finally able to fulfill his dream of doing an all-out, straight-ahead crime series, Miller introduced Sin City in 1991. Readers responded enthusiastically to Miller's tough-as-leather noir drama, creating an instant sales success. His multi-award-winning 300 series from Dark Horse, a telling of history's most glorious and underreported battle, was brought to full-blooded life in 1998. In 2001, Miller returned to the superhero genre with the bestselling Batman: The Dark Knight Strikes Again. Frank Miller continues to push the medium into new territories, exploring subject matter previously untouched in comics, and his work consistently receives the highest praise from his industry peers and readers everywhere. In 2005, with the hugely successful Sin City movie release, codirected with Robert Rodriguez, Miller added a director's credit to his already impressive rsum and introduced his characters to an entirely new legion of fans worldwide.
