Description :

Prsentation de l'diteurI Am Not A Serial Killer is now a major film starring Christopher Lloyd and Max Records. This is the first title in the thrillingly dark John Wayne Carver series.John works in his family's mortuary and has an obsession with serial killers. He wants to be a good person, but fears he is a sociopath, and for years he has suppressed his dark side through a strict system of rules designed to mimic 'normal' behavior. Then a demon begins stalking his small town and killing people one by one, and John is forced to give in to his darker nature in order to save them. As he struggles to understand the demon and find a way to

kill it, his own mind begins to unravel until he fears he may never regain control. Faced with the reality that he is, perhaps, more monstrous than the monster he is fighting, John must make a final stand against the horrors of both the demon and himself.

Revue de presseAn unabashedly gory gem... this deft mix of several genres features a completely believable teenage sociopath (with a heart of gold), dark humor, a riveting mystery and enough description of embalming to make any teen squeamish even if they won't admit it.
