The novel reprises characters from *Little Women* and is considered by some the second book in an unofficial *Little Women* trilogy, which is completed with Alcott's 1886 novel *Jo's Boys, and How They Turned Out: A Sequel to "Little Men"*. It tells the story of Jo Bhaer and the children at Plumfield Estate School. It was inspired by the death of Alcott's brother-in-law, which reveals itself in one of the last chapters, when a beloved character from *Little Women* passes away. It has been adapted to a 1934 film, a 1940 film, a 1998 film, a television series, and a Japanese animated television series.
