Description : Description du produitA CENTURY BEFORE LEFT BEHIND THERE WAS LORD OF THE WORLD Imagine a godless age, a time when all the world has fallen prey to soulless communism. This is the world that Christ comes to as he returns to us. This is the Second Coming. This is the End of Time. This is the Apocalypse. (This jacketless hardcover is intended for the library trade.)

Prsentation de l'diteurIn or about the year 2000, humanity has reached "that incredibly lofty goal to which its intrinsic efforts can carry it" but rejected everything but crass materialism. Technology has advanced to the point where no one need work for a living, while the social sciences have achieved a smoothly-running if almost unbearably sterile social order. Formal religious beliefs except for Catholicism have been uprooted and eliminated as coherent systems, and the Catholic Church has been completely discredited in the eyes of the world, finally being outlawed. The result is everything the late Victorians and Edwardians believed

would bring human happiness and which brings nothing but the advent of new superstitions, despair, and the end of the world maybe. New York Times "Interesting it must be to all to whom the deepest convictions of a man's heart are of moment. And in the artistic balance and taste of Father Benson's literary power every reader will find delight." Revue de presse "Though it precedes them, the book is the genre of Orwell's 'Nineteen Eighty Four' and Huxley's 'Brave New World'." --The Catholic Times, 20 January, 2002
