## Description :

Prsentation de l'diteurINTRODUCTORY OFFER PRICE RED MAGAZINE's BEST NEW AUTHORS YOU NEED TO KNOW ABOUT NOW 'It's no secret that psychological thrillers have been the big hitters of the literary world in recent years (remember Gone Girl anyone?). Well this debut from Aly Sigdwick is set to do the same.' Who is the Lullaby Girl? Found washed up on the banks of a remote loch, a mysterious girl is taken into the care of a psychiatric home in the Highlands of Scotland. Mute and covered in bruises, she has no memory of who she is or how she got there. The only clue to her identity is the Danish lullaby she sings... Inside the care home, she should be safe. But, harassed by the media and treated as a nuisance by under-pressure staff, she finds the home is far from a haven. And as her memories slowly surface, the

Lullaby Girl does her best to submerge them again. Some things are too terrible to remember... but unless she confronts her fear, how can she find out who she really is? Taut, tense and mesmerizing, Lullaby Girl is a shining debut from an exciting and very talented new author. Praise for Lullaby Girl : 'Her work had beautiful textures, and big portions of darkness and humour, with equal parts of a sadness to them... seeing her drawings and tattoos i was not at all surprised that she wrote a novel, or that it was a good one. There is a great sense of tension, and of coldness in the story, but Sidgwick has a keen eye for detail and a dark sense of humour that shines through, making the dark and the cold easier to pass through. And to make the dark passages of the mind bearable is an achievement indeed.' KOLBEINN KARLSSON, author of The Troll King .Revue de presse'A reflective piece of work which runs alongside a back story in the traditional style of a fast moving thriller...a hybrid between literary skills and genre thrills .' --The Skinny'Lullaby Girl is one of the few books of late where you really find yourself truly invested in the character - you absolutely need to understand what's happened to her. Fantastic and completely gripping book.' --Wonderland Avenue'A psychologically harrowing study of mental illness, Lullaby Girl is a rather astonishing debut novel. Confident, daring, and constantly uncomfortable, it will keep you on your toes. Definitely worth keeping an eye on where Sidgwick goes from here.'POP VERSE'The storytelling is at once poetic and suspenseful, giving the reader the conflicting desires to both contemplate a beautiful phrase and rush through the pages like a paperback mystery novel.'TYCI'Her work had beautiful textures, and big portions of darkness and humour, with equal parts of a sadness to them seeing her drawings and tattoos i was not at all surprised that she wrote a novel, or that it was a good one. There is a great sense of tension, and of coldness in the story, but Sidgwick has a keen eye for detail and a dark sense of humour that shines through, making the dark and the cold easier to pass through. And to make the dark passages of the mind bearable is an achievement indeed.' --Kolbeinn Karlsson, author of The Troll KingPrsentation de l'diteurINTRODUCTORY OFFER PRICE RED MAGAZINE's BEST NEW AUTHORS YOU NEED TO KNOW ABOUT NOW 'It's no secret that psychological thrillers have been the big hitters of the literary world in recent years (remember Gone Girl anyone?).
