## Description :

Prsentation de l'diteur"Pullovers never go out of style, and some of the designs are truly beautiful, even today. The stitches are all basic, which makes the work go quickly. In the end, you are only limited by your own imagination. Highly recommended." Any Good BookCrocheting has never been faster and easier and the design possibilities have never been more exciting. This simple but innovative technique makes creating sophisticated-looking pullovers as easy ascrocheting a scarf. All modular crochet garments are worked in the same basic shape, which consists of eight modules, or rectangles. You can make an infinite number of styles by varying the size of the rectangles, the type and color of yarn, and the stitches. What's more, you can customize each garmentwhile it's being made for perfect-fit pullovers in any size, silhouette, and style and you'll never have to follow traditional written instructions again.Nearly four decades after its initial publication, this guide remains among the most revolutionary and revered books on freeform and

improvisational crochet. Even beginners can use its innovative method to make pullovers, turtlenecks, vests, ponchos, caftans, and other items. Easy-to-follow diagrams accompany each original design, in addition to 40 large full-color photos."One of my favorite craft books of all time! Teaches you the basic building blocks of crocheted apparel and shows you how easy it is to create your own patterns."
