## Description :

Prsentation de l'diteur Persuasion by Jane Austen How is this book unique? Tablet and e-reader formatted Original Unabridged Edition Author Biography included Illustrated version Persuasion is Jane Austen's last completed novel, published posthumously. She began it soon after she had finished Emma and completed it in August 1816. Persuasion was published in December 1817, but is dated 1818. The author died earlier in 1817. As the Napoleonic Wars come to an end in 1814, Admirals and Captains of the Royal

Navy are put ashore, their work done. Anne Elliot meets Captain Frederick Wentworth after seven years, by the chance of his sister and brother-in-law renting her father's estate, while she stays for a few months with her married sister, living nearby. They fell in love the first time, but she broke off the engagement. Besides the theme of persuasion, the novel evokes other topics, with which Austen was familiar: the Royal Navy, in which two of Jane Austen's brothers rose to the rank of admiral; and the superficial social life of Bath. It is portrayed extensively and serves as a setting for the second half of *Persuasion*. In many respects, *Persuasion* marks a break with Austen's previous works, both in the more biting, even irritable satire directed at some of the novel's characters and in the regretful, resigned outlook of its otherwise admirable heroine, Anne Elliot, in the first part of the story. Against this is set the energy and appeal of the Royal Navy, which symbolises for Anne and the reader the possibility of a more outgoing, engaged, and fulfilling life, and it is this worldview which triumphs for the most part at the end of the novel. *Persuasion* is linked to *Northanger Abbey* not only by the fact that the two books were originally bound up in one volume and published together, but also because both stories are set partly in Bath, a fashionable city with which Austen was well acquainted, having lived there from 1801 to 1805. .frATTENTION : La reliure de ce livre est "Rough Cut" c'est pourquoi les bords sont mal coupés. In a remote Hertfordshire village, far off the good coach roads of George III's England, Mr. and Mrs. Bennet -- a country squire of no great means and his scatterbrained wife -- must marry off their five vivacious daughters. At the heart of this all-consuming enterprise are the headstrong second daughter Elizabeth and her aristocratic suitor Fitzwilliam Darcy, two lovers in whom pride and prejudice must be overcome before love can bring the novel to its magnificent conclusion.
