Prsentation de l'diteurHardPress Classic Books SeriesPrsentation de l'diteurHardPress Classic Books SeriesBiographie de l'auteurEmily Elizabeth Dickinson (1830-1886) was an American poet. With the possible exception of Walt Whitman, Dickinson is now recognized as the most important American poet of the 19th century. Although Dickinson's acquaintances were most likely aware of her writing, it was not until after her death in 1886when Lavinia, Dickinson's younger sister, discovered her cache of poemsthat the breadth of her work became apparent to the public. Despite some unfavorable reception and skepticism over the late 19th and early 20th centuries regarding her literary prowess, Dickinson is now almost universally

considered to be one of the most significant of all American poets.
