## Description :

Prsentation de l'diteurWhat if we told you: "YOU COULD OWN A WORLD CLASS BODYwhatever your present conditionby doing only two exercises, for twenty minutes a day?" And we are talking about a world class bodya body so lean, ripped and powerful looking, you won't believe your own reflection when you catch yourself in the mirror. And what if we told you, "YOU CAN DO IT without a single supplement, without having to waste your time at a gym and with only a 150 bucks of simple equipment?"And what if we told you, "With only two exercises for twenty minutes a day, you'll not only be stronger than you've ever been in your life, but you'll have higher energy and better performance in whatever you do?"And what if we told you, "You can have an instant download of the world's absolutely most effective strength secrets? You can possess exactly the same knowledge that created world-champion athletesand the strongest bodies of

their generation?" "In my capacity as a leader of Marines, I have to continually balance the matters of mission and training. There is never enough time to train Marines to the standard that exists in a leader's mind. However, if I were to recommend one Physical Training program to develop a Marine's overall strength and fighting capability, it would be one prescribed by Pavel Tsatsouline." "Lieutenant Colonel George H. Bristol, USMC, Director, Marine Corp" "Whether you're young or old, a beginner or an elite athlete, training in your room or in the most high tech facility, if there was only one book I could recommend to help you reach your ultimate physical potential, this would be it. Simple, concise and truly reader friendly, this amazing book contains it all. Follow its advice and, believe it or not, you'll be stronger and more injury-resistant immediately. I guarantee it. I only wish I'd had a book like this when I first began training. Follow this program for three months and you'll not only be amazed but hooked. It is the ultimate program for "Everyman" AND Woman! I thought I knew a lot with a Ph.D. and 40 years of training experience...but I learned a lot and it's improved my training significantly." --Jim Wright, former editor of Flex magazine.
