Description :

Prsentation de l'diteurIt is November 1941. Anglo-American John Russell is living in Berlin, tied to the increasingly alien city by his love for two Berliners: his fourteen-year-old son, Paul, and his actress girlfriend, Effi. One of a small and dwindling handful of permitted and much-censored American journalists, Russell has found himself pushed into serving as a point of contact between the anti-Nazi Abwehr and American intelligence. But his real work, as he now sees it, revolves around one crucial question what fate awaits those Berliner Jews who are now being shipped to the east? His investigation has already brought him into perilous proximity with the local communist underground, and will soon involve him in a celebrity murder with global ramifications. As Russell and Effi edge closer to some very dangerous truths, feuding

German intelligence services and America's imminent entry into the war further complicate their struggle to outfox and outlive Hitler's Reich.
