## Description :

Prsentation de l'diteurMore than thirty years ago, an entire generation sought a new way of life, looking for fulfillment and meaning in a way no one had before. Leaving his teaching job at Harvard, Ram Dass embodied the role of spiritual seeker, showing others how to find peace within themselves in one of the greatest spiritual classics of the twentieth century, the two-million-copy bestseller *Be Here Now*. As many of that generation enter the autumn of their years, the big questions of peace and of purpose have returned demanding answers. And once again, Ram Dass blazes a new trail, inviting all to join him on the next stage of the journey.Revue de presse'With consummate skill and humor Ram Dass guides us through the later

phases of life. When you finish this book you are wiser, freer, more awake, more in touch with your heart. What more could you ask?' (Jack Kornfield, author of *A Path to the Heart*) 'There are many things one could say after reading a book as wonderful and profound as this one but they all add up to the same thing: thank you, Ram Dass, thanks a lot' (Rachel Naomi Remen, MD, bestselling author of *Kitchen Table*) 'Ram Dass has entered the often stormy relationship between our physical and spiritual sides, and he has lived to tell about it. This is no gussied-up, glossed-over personal account of illness, but an honest, courageous sharing the flows from the soul. Listen up, everybody, while Ram Dass tells it like it is' (Larry Dossey, MD, author of *Reinventing Medicine*) 'I am so happy Ram Dass is "still here" to enrich our lives and show us the way. I was so touched by his truly profound revelations in this gem of a book. "Ram Dass, you're my hero" (Susan Jeffers, PhD, author of *Feel the Fear - and Use It to Your Advantage*) 'Broaches the taboo subjects of ageing and dying from a humane, inspiring perspective' (Top Sante) 'Presentation de l'auteur' More than thirty years ago, an entire generation sought a new way of life, looking for fulfillment and meaning in a way no one had before.
