### Description :

Prsentation de l'diteurStewart Gilmour is back in Stonemouth. After five years in exile his presence is required at the funeral of patriarch Joe Murston, and even though the last time Stu saw the Murstons he was running for his life, staying away might be even more dangerous than turning up.An estuary town north of Aberdeen, Stonemouth, with it's five mile beach, can be beautiful on a sunny day. On a bleak one it can seem to offer little more than seafog, gangsters, cheap drugs and a suspension bridge irresistible to suicides. And although there's supposed to be a temporary truce between Stewart and the town's biggest crime family, it's soon clear that only Stewart is taking this promise of peace seriously. Before long Stu steps back into the

minefield of his past to confront his guilt and all that it has lost him, uncovering ever darker stories. Soon his homecoming takes a more lethal turn than even he had anticipated. Tough, funny, fast-paced and touching, Stonemouth cracks open adolescence, love, brotherhood and vengeance in a rite of passage novel like no other.
