## Description :

Prsentation de l'diteurCollects Sub-Mariner: The Depths #1-5.Throughout the ages, a few men have wondered if this fabulous place actually exists. Fewer have imagined that the city is protected by a wild and vengeful being, the very embodiment of the untameable depths themselves - the Sub-Mariner! When a deep sea expedition mysteriously vanishes without a trace near the Marianes trench, legendary adventurer Randolph Stein embarks on a journey that will rock him - and his crew - to their very core!Prsentation de l'diteurCollects Sub-Mariner: The Depths #1-5.Throughout the ages, a few men have wondered if this fabulous place actually exists. Fewer have imagined that the city is protected by a wild and vengeful being, the very embodiment of the untameable depths themselves - the Sub-Mariner! When a deep sea expedition

mysteriously vanishes without a trace near the Marianes trench, legendary adventurer Randolph Stein embarks on a journey that will rock him - and his crew - to their very core!
