(Mobile book) Swimming Home

Par Deborah Levy : Swimming Home
before purchasing it in order to gage whether or not it would be worth my time, and all praised Swimming Home:

Description :

Prsentation de l'diteurAs he arrives with his family at the villa in the hills above Nice, Joe sees a body in the swimming pool. But the girl is very much alive. She is Kitty Finch: a self-proclaimed botanist with green-painted fingernails, walking naked out of the water and into the heart of their holiday. Why is she there?

What does she want from them all? And why does Joe's wife allow her to remain? *Swimming Home* is a subversive page-turner, a merciless gaze at the insidious harm that depression can have on apparently stable, well-turned-out people. Set in a summer villa, the story is tautly structured, taking place over a single week in which a group of beautiful, flawed tourists in the French Riviera come loose at the seams. Deborah Levy's writing combines linguistic virtuosity, technical brilliance and a strong sense of what it means to be alive.

Swimming Home represents a new direction for a major writer. In this book, the wildness and the danger are all the more powerful for resting just beneath the surface. With its biting humour and immediate appeal, it wears its darkness lightly. Swimming Home was also shortlisted for the New York Times Notable Book of 2012 and the Jewish Quarterly-Wingate Prize 2013. Shortlisted for the Man Booker Prize 2012 and National Book Awards Author of the Year 2012

Revue de presse 'Deborah Levy's storytelling is allusive, elliptical and disturbing. Her touch is gentle, often funny and always acute... This is a prizewinner.' --The Independent
A stealthily devastating book ... Levy manipulates light and shadow with artfulness. She transfixes the reader ... This is an intelligent, pulsating literary beast. --The Daily Telegraph
Swimming Home is as sharp as a wasp sting' --Sunday Times
