Description : Description du produitTwo cassettes. Playing time 4 hours. Read by Steven Pacey.

Prsentation de l'diteurThe inner conflicts of a mismatched band of mercenaries threatens to derail an important mission in Wilbur Smith's dramatic adventure novel, *The Dark of the Sun*, set during the Congo Crisis.'The bend in the road rushed towards them, just a few more seconds. Then, with a succession of jarring crashes that shook the whole body of the car, a burst of fire hit them from behind. The windscreen starred into a sheet of opaque diamond lacework, the dashboard clock exploded powdering Shermaine's hair with particles of glass, two bullets tore through the seat ripping out the stuffing like the entrails of a wounded animal.' Bruce Curry is the leader of a mercenary band with the dubious support of three white officers. His mission is to relieve a mining town cut off by the fighting and to retrieve a priceless consignment of diamonds. Ranged against his ill-disciplined unit are bandits, guerrillas and hostile tribes

that roam the land. But there is another, even deadlier enemy - one of his own men . . . Presentation de l'diteur The inner conflicts of a mismatched band of mercenaries threatens to derail an important mission in Wilbur Smith's dramatic adventure novel, *The Dark of the Sun*, set during the Congo Crisis. 'The bend in the road rushed towards them, just a few more seconds. Then, with a succession of jarring crashes that shook the whole body of the car, a burst of fire hit them from behind. The windscreen starred into a sheet of opaque diamond lacework, the dashboard clock exploded powdering Shermaine's hair with particles of glass, two bullets tore through the seat ripping out the stuffing like the entrails of a wounded animal.' Bruce Curry is the leader of a mercenary band with the dubious support of three white officers. His mission is to relieve a mining town cut off by the fighting and to retrieve a priceless consignment of diamonds. Ranged against his ill-disciplined unit are bandits, guerrillas and hostile tribes that roam the land. But there is another, even deadlier enemy - one of his own men . . . Ingram Bruce Curry is the leader of a mercenary band with the support of three officers. His mission is to relieve a mining town cut off by the fighting and to retrieve a consignment of diamonds. Ranged against his ill-disciplined unit are bandits, guerrillas and hostile tribes that infest the land. But there is a deadlier enemy--one of his own men. Available in March. Previously published.
