Description :

Prsentation de l'diteurNothing scares Tessa King more than the thought she will never have children. It doesn't matter how good her life is, and it is, it never feels good enough. She has four godchildren and dozens of friends, yet love eludes her. She knows how good a mother she could be, if only she had the chance. And then one terrible day she does, and Tessa learns firsthand that life on the other side of that white picket fence is more complicated than she ever could have imagined.Heartwarming, funny, and genuine, The Godmother speaks to anyone who has wondered about the next step and reminds us that happily-ever-after is just the beginning of the story.Revue de presseA lively fusion of chick lit and mummy lit . . . great. (Marie Claire (UK))Carrie Adams eschews the traditional happy-ever-after in this witty and realistic take on modern

life. (In Style UK)A punchily written page-turner. (Good Housekeeping, UK)Book clubs rejoice! Weve got a winner! ...brilliant, funny, and human ...I loved it.
