## Description :

Prsentation de l'diteurWinner of the Pulitzer Prize for Fiction 2014Aged thirteen, Theo Decker, son of a devoted mother and a reckless, largely absent father, survives an accident that otherwise tears his life apart. Alone and rudderless in New York, he is taken in by the family of a wealthy friend. He is tormented by an unbearable longing for his mother, and down the years clings to the thing that most reminds him of her: a small, strangely captivating painting that ultimately draws him into the criminal underworld. As he grows up, Theo learns to glide between the drawing rooms of the rich and the dusty antiques store where he works. He is alienated and in love - and his talisman, the painting, places him at the centre of a narrowing, ever more dangerous circle. The Goldfinch is a haunted odyssey through present-day America and a drama of

enthraling power. Combining unforgettably vivid characters and thrilling suspense, it is a beautiful, addictive triumph - a sweeping story of loss and obsession, of survival and self-invention, of the deepest mysteries of love, identity and fate.

Revue de presse  
PRAISE FOR THE SECRET HISTORY "The Secret History succeeds magnificently....A remarkably powerful novel [and] a ferociously well-paced entertainment...Forceful, cerebral, and impeccably controlled."--New York Times  
"Tartt's voice is unlike that of any of her contemporaries. Her beautiful language, intricate plotting, fascinating characters, and intellectual energy make her debut by far the most interesting work yet from her generation."--Boston Globe  
"Enthralling. . . . A remarkably powerful novel [and] a ferociously well-paced entertainment. . . . Forceful, cerebral, and impeccably controlled."--New York Times Book Review  
"Donna Tartt is clearly a gifted writer. . . . The cadence of her sentences, the authority with which she shaped 500-plus pages of an erudite page-turner indicate she has the ability to leave her literary contemporaries standing in the road. . . . The decision to murder has about it the inevitability of classical Greek tragedy."--Miami Herald
