Description :

Prsentation de l'diteur
Dr. Laura Regan is one of the world's foremost authorities on viral and bacteriological study. Having dedicated her career to halting the spread of infectious disease, she has always considered herself one of the good guys. But when her research partner is murdered and Laura is blamed for the crime, she finds herself at the heart of a vast and deadly conspiracy. Laura must evade law enforcement, mercenaries, and a team of cyber-detectives who know more about her life than she does - all while trying to expose a sinister plot that will impact the lives of every American.
