Description :

Prsentation de l'diteurDefense attorney David Nash has made a career out of setting monsters free -- and no one does it better. Now a case has come to "The Ice Man" that could help cleanse Nash of the guilt and doubts that torment him: that rarest of all defendants, an innocent man. A fellow lawyer has been accused of a heinous crime -- the brutal murder of an undercover vice cop. But the case that is supposed to be Nash's redemption could prove to be his downfall, dragging him into a dark and sinister world where lies and the truth are interchangeable; where the manipulator becomes the manipulated; and where every answer spawns more complex and terrifying questions. And as the shadows close in around him, the final question that

remains for David Nash concerns his own fate: life ... or death?Revue de presse"Jampacked plot... (Margolin) shows us... the difficulties of lawyers as people practicing in a system of justice which is the same for the guilty and the innocent... and exposes the costs paid by a conscientious lawyer in the coin of human feeling." -- The Washington Post. "Exciting stumper, high pitched courtroom drama." -- Booklist."An intricate tale that weighs guilt, justice, and the law, this book also has plenty of action and drama. A real spellbinder." -- Library JournalFrom the Paperback edition.Présentation de l'auteurDefense attorney David Nash has made a career out of setting monsters free -- and no one does it better.
