## Description :

Prsentation de l'diteurRick Geary tackles the most controversial case of the 20th century. Anarchists Sacco Vanzetti were accused of robbery and murder but so many supposedly damning pieces of evidence were questionable their guilty verdict elicited massive protests around the world. Geary presents us with all the twists and turns, appeals and dubious evidence after presenting us the human face of the two men, demonized by many, turned to martyrs by many others in his usual unflappable way.Prsentation de l'diteurRick Geary tackles the most controversial case of the 20th century.
