Revue de presse Grant Morrison and his latest descent down the rabbit hole The Multiversity touch on a sense of scale and complexity unique in comics, let alone any entertainment medium. Paste (Best Comic Books of 2015 list) No creator understands and utilizes this aspect of the DC Universe or makes it work to his advantage better than writer Grant Morrison. Say what you will about some of his missteps (Final Crisis anyone?).

More than anyone else, he understands that utilizing that epic grandness is the key to understanding DC. NERDIST Grant Morrison's The Multiversity is everything that fans have been patiently waiting for. IGN Morrison's The Multiversity has been an immensely entertaining miniseries, giving him the opportunity to explore different elements of superhero comics through stylized one-shots set on different worlds in DC's multiverse. A.V. CLUB/THE ONION The latest collaboration between writer Grant Morrison and artist Frank Quitely, a pairing that consistently puts out career-defining work. ENTERTAINMENT WEEKLY Morrison is bending the reality of superheroes and ourselves again. WIRED Overall, the The Multiversity has been a compelling series.
