Description :

Prsentation de l'diteurA heart-racing and enthralling story of Regency romance from one of our best-known and most beloved historical novelists.Sir Waldo Hawkrigde -- wealthy, handsome, eligible, illustrious, and known as 'The Nonesuch' for his athletic prowess -- believes he is past the age of falling in love. But when he comes North to inspect his unusual inheritance at Broom Hall in the West Riding, his arrival leads to the most entertaining of ramifications ...Georgette Heyer won the hearts of a huge worldwide readership with her peerless novels of historical romance - a readership which continues to this day - and in The Nonesuch, all her storytelling skills are in evidence.From AudioFileReaders who enjoy Regency Romances still recognize Georgette Heyer as tops in the field. Eve Matheson adds to the pleasure of this story through the

flexibility of her voice and tone. It's a treat to hear the starched-up dowagers, the self-important and often pompous men, the young girls just out of the schoolroom, the minor characters and, of course, the hero and heroine of the novel. The language of the early 1800's is fascinating, and the audiobooks provides an excellent example of high society during that period. D.M.W. (c)AudioFile, Portland, MaineRevue de presse"Sparkling" (The Independent)"My favourite historical novelist - stylish, romantic, sharp, and witty. Her sense of period is superb, her heroines are enterprising, and her heroes dashing. I owe her many happy hours" (Margaret Drabble)"A writer of great wit and style ... I've read her books to ragged shreds" (Kate Fenton Daily Telegraph)
