Description : Description du produitRed Stevens owned everything a man could ask for, and he generously supported his entire extended family, asking nothing in return. Near the end of his life, however, Red realized one thing: in giving his family everything, he had given them nothing. Years of being provided with unearned incomes had caused them to become greedy and selfish. Yet there was one who wasn't completely lost. One who still had the potential to change and to learn. That one was Red's great-nephew, Jason.This is the story of Red Stevens, a self made man who realized, almost too late, the terrible mistake he had made. It is the story of Jason Stevens, as he makes a year long spiritual journey down a path that will lead to the incredible inheritance that his uncle has planned for him. And it is also our story, as we travel along with Jason, learning lessons in the most unexpected ways - lessons that we can learn and apply every day, making "The Ultimate Gift" our own.

Prsentation de l'diteur Jason Stephens lives a life of wealth. A life of privilege. A life that's about to take a radical turn. Jason always had a straightforward relationship with his billionaire grandfather, Howard "Red" Stevens. He shunned him but welcomed his money. So he figured when Red died, his part of the inheritance would be a simple cash transaction that would fund his extravagant lifestyle. Instead, for Jason to receive his inheritance, he's given an ultimatum...a series of twelve tests or "gifts" as Red calls them. If he fails at any one of them, he loses everything. If he completes them all, the ultimate gift will be his. One of those "gifts" involves finding a friend...something Jason has never experienced before. Yet this unlikely friendship and an unexpected romance may just open his eyes to what he's been missing all along. "You don't begin to live until you've lost everything."
