Prsentation de l'diteurThis is a modern-day adventure story featuring Paulos supernatural encounter with angels who appear as warrior women and travel through the Mojave desert on their motorbikes.Haunted by a devastating curse, Paulo is instructed by his mysterious spiritual master to embark upon a journey to find and speak to his guardian angel in an attempt to confront and overcome his dark past. The Valkyries is a compelling account of this forty day quest into the searing heat of the Mojave Desert, where Paulo and his

wife, Chris, encounter the Valkyries warrior women who travel the desert on motorcycles, spreading the word of angels. This exotic spiritual odyssey is a rare combination of truth, myth, imagination and inspiration. Ultimately it is a story about being able to forgive our past and believe in our future.

Booklist There is enough interest in angels to ensure this peculiar little book a significant audience. It traces a spiritual journey of sorts, stereotypically cast as a journey into the desert, that embodies a New Age conception of liberation as liberation from the past in confrontation with oneself. The "ritual that demolishes rituals," which is the climax of the book, is all done with mirrors. As Simone de Beauvoir would note, the "mirrors" are women--and that calls into question both the "newness" of the story and the "age" it heralds. But it is a strange tale many will find compelling.
