is full of her trademark emotion and toe-curling tension. A brilliant look into the mind of one of our most beloved book boyfriends. I consumed it; it consumed me. I didn't want it to end."Katy Evans, New York Times bestselling author"Just when you thought you couldn't love Kellan Kyle more, S. C. Stephens makes you fall in love with him all over again. In typical fashion, S. C. draws you in, makes you feel like you are part of the story, and doesn't let you go until the very last page. Emotional and addictive, it's a story you'll come back to time and again. Superb!"K. Bromberg, New York Times bestselling author"Thoughtful is an emotional roller coaster ride, and Kellan Kyle is going to make you swoon and sigh in the most delicious ways."Lisa Renee Jones, New York Times bestselling author"From page one, this book is impossible to put down."Abbi Glines, New York Times bestselling author on Thoughtless"Wildly addictive, beautifully written, and uniquely captivating. Thoughtless is a simmering, slow burn."Tracey Garvis-Graves, New York Times bestselling author"Stephens has perfectly and with gut-wrenching honesty portrayed the reality of a love triangle, and the mess that ensues when bonds are severed and new ones are formed. What happens when you find your soul mate at the worst possible time, in the least expected place? What if being with that person means doing the most wrong thing you've ever done? Thoughtless is one of those books that leaves you thinking about these questions, the characters and their choices for days if not weeks after reading."Tammara Webber, New York Times bestselling authorPresentation de l'diteurInThoughtless,Kiera told her story.
