[Mobile ebook] Understanding African Art (English Edition)

Par Jean-Claude Gouigoux :
Understanding African Art (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding African Art (English Edition):

Description :

Prsentation de l'diteurAfrican arts expert, the author answers in this booklet to questions that are regularly asked by enthusiasts who want to better understand African art, particularly as regards the meaning and use of masks and statuettes. It is written in clear language, accessible to the greatest number.. A few comments: "I understand better now African art, at least I see them in a different light" "It is a book that I used with my students as an introduction to African art before a visit to the Quai Branly Museum [...]. Congratulations!" "Your eBook put particularly in light things which are very difficult to understand to a Western mind" "I tell you Bravo for your ability to take an interest in African art, in fact, the hardest, and you are successful, it is simply to convey the complexities" "Thanks to you, African art came into my house, it was a revelation" "Reading the eBook made me go from curiosity to an understanding of art in itself" "A remarkable concise book"(Translation of the french book : "Comprendre l'art africain")Prsentation de l'diteurAfrican arts expert, the author answers in this booklet to questions that are regularly asked by enthusiasts who want to better understand African art, particularly as regards the meaning and use of masks and statuettes.
