## Description :

Prsentation de l'diteurA NEW YORK TIMES Bestseller!Hippolyta, queen of the s, has kept a secret from her daughter all her life--and when Wonder Woman learns who her father is, her life will shatter like brittle clay. The only one more shocked than Diana by this revelation? Bloodthirsty Hera. So why is her sinister daughter, Strife, so eager for the truth to be told? Superstar writer Brian Azzarello creates a new direction for one of DC's best-known heroes, with spectacular art by Cliff Chiang and Tony Akins!Collects the first six issues of the critically acclaimed Wonder Woman series!Revue de presseThis is clear storytelling at its best.Its an intriguing concept and easy to grasp. The reader doesnt need to know that much about Wonder Woman because she is, well, Wonder Woman. The New York Times Azzarello is...rebuilding the mythology of Wonder Woman. Maxim Azzarello is crafting a highly-intelligent, and surprisingly gory, affair that's drenched in Greek mythology and godly mischief. And if that's not enough, artist Cliff Chiang simply kills it

on every panel he touches. Put your presumptions aside because this is actually a Wonder Woman book worth reading. Complex Magazine This series will hopefully elevate Diana back into the limelight with Superman and Batman where she belongs. Christian Science Monitor Beautifully illustrated and brings a fresh, fascinating and fun take to the Princess and her world. IGN Its a different direction for Wonder Woman, but one still steeped in mythology...great things from Azzarello and Chiang. The Onion AV Club Enthralling. - UGO This book is weird and worth your while. io9 Its the kind of writing thats made Azzarello such a sought after comic book author. CraveOnline Brian Azzarello is going for a much more horror-oriented book than previous incarnations, and that works well with Cliff Chiangs art. In fact, theyre probably one of the best paired teams for the New 52 so far. Comic Book Resources Page after page, Azzarello just unfurls more and more smart ideas in what is probably the best hope for the great Wonder Woman story weve all been hoping for. Unsurprisingly, Cliff Chiang delivers some phenomenal visuals, presenting us with a heroine who reads as dynamic, elegant, powerful, and even godly. People, I think theyve figured it out. iFanboy Prsentation de l'diteurA NEW YORK TIMES Bestseller!Hippolyta, queen of the s, has kept a secret from her daughter all her life--and when Wonder Woman learns who her father is, her life will shatter like brittle clay.
