Description :

Prsentation de l'diteurFrom an international expert on infant-parent communication, Your Baby Is Speaking To You is destined to become a parenting classic. Through intimate access to babies and their families, Dr.

Kevin Nugent and acclaimed photographer Abelardo Morell capture the amazingly precocious communications strategies babies demonstrate from the moment they are born. Your Baby Is Speaking to You illustrates the full range of behaviorsearly smiling to startling, feeding to sleeping, listening to your voice and recognizing your face. The newest researchincluding information on subtle and fleeting behaviors not seen or explained in any other bookilluminates the meaning of the things babies do that concern and delight new parents: the language of yawning the rich range of cries, and how to understand their meanings babys earliest sleep smiles and sleep states, and what they signify Your Baby Is Speaking To You delivers the information parents crave in gentle, accessible style while giving parents the confidence they need to respond to their own babys way of communicating during the very first astonishing days and the months beyond.Revue de presse" In this gorgeous book on early infancy, physician Nugent and photographer Morell provide a stunning layout combined with rich, graceful text... This is, quite simply, a beautiful and elegant book, appropriate for anyone who has ever loved, or wants to love, a baby." -- Library Journal, starred
